

Do It Yourself Series

Join us for another round of Do It Yourself (DIY) Classes at the Farm. These classes offer a relaxed, hands on way to learn self-reliance skills, whether you are a new learner or an experienced homesteader. For more information or to sign up, email lbrownlee@wolfesneckfarm.org or call the Wolfe's Neck Farm Education Office at 865-4363. DIY classes meet inside the Little River Farmhouse at Wolfe's Neck Farm unless otherwise noted.

Maple Sugaring, A Two Part Adventure Sat Feb 20 and March 6, 9:00am - 12:00pm
This three class series will walk people through tree identification, tapping trees, collecting your own sap, and turning it to syrup. Optional field trip to instructor's sugar house on the last day.
Fee: \$50 Materials Fee: \$5. Work trade and barter options available.

Making Mozzarella Cheese (and bread and butter!) Sat Feb 27 9:30am-12pm, or March 13 9:30-12pm
We'll make our own mozzarella cheese and complement it with butter churned on our own and bread made from scratch. At the end, we'll have a feast! Bring clean, thick, rubber dishwashing gloves for handling hot cheese.
Fee: \$20 Materials Fee: \$5. Work trade and barter options available.

Advanced Canning Skills - Pressure Canning: Sat March 6 10am-12:30pm
Come make your own marmalade to take home! Everyone will leave with their own jar.
Fee: \$20, Materials: \$3. Work trade and barter options available.

Exploring our Backyard

Join us for these exciting classes and activities in the great, white, winter outdoors. More to come!

Winter Birding for Beginners Saturdays, Jan 30 or Feb 20, 9 a.m. - 12 p.m.
Why don't birds go south with the others? What do they do about food and shelter? How have bird feeders made it easier for them? We will talk about these and other topics and then go outside to find as many birds as we can. Bring binoculars or field glasses, and dress warmly because holding binoculars still in winter can be a chilly activity. This class is taught by the Merrymeeting Audubon Chapter President Ted Allen.
Fee: \$20. Work trade option available.

Family Nature Walks 11 a.m. - 12 p.m.
Bring your family to the Farm, and take a guided 1-2 mile walk in the winter woods! During each walk, we will focus on a particular topic or idea, such as learning to read animal tracks or making our own nature journals. All ages welcome. Fee \$5/person or \$15 per family. Registration required.

- Jan 16: Winter Scavenger Hunt
- Feb 20: Reading Animal Tracks
- Mar. 20: Create Your Nature Journal
- April 17: Salt Marsh Exploration
