# *Plein Air Silent Auction*

## *June 20, 9 to 3*

This June we will have our second air event at the farm, with 17 participating artists. The public is invited to watch the artists at work between June 1 and June 12.

Twenty five artists applied to this juried event. We were fortunate to have Joseph Cousins, of Freeport, as our juror. Joseph had the following comments about the selection process: "As juror I was looking for artists with strong design and color sense, as well as those who were familiar with working on location in the atmosphere. It was important that a hands on approach, void of any kind of mechanical means, would be employed in the final piece of art to be presented for the auction."

Completed Plein Air pieces will be on display at the following locations in Freeport from June 12 – 15.

- \* Freeport Art Club's Summer Show at Key Bank
- \* Freeport Café
- \* Freeport Square Gallery
- \* Gritty's
- \* Harraseeket Inn
- \* Royal River Natural Foods
- \* The Venue

Thank you to these businesses for their help in spreading the word about the auction.

The art work will be sold by silent auction. From June 15 – 19, the pieces will be in the farm house at Wolfe's Neck Farm, available for viewing and bidding. At the Art Fest on June 20 the bidding will close at 3 PM.

## *Raffle*

**The exhibitors are donating a wide assortment of art, craft, and other items for a raffle to benefit the Wolfe's Neck Farm Foundation. Tickets will be 25 for \$5. We will be picking winners throughout the day.**
